Alliance Française Accra

Learn French

With an intelligent

and adaptable

learning solution

with a coach

Today's diverse, multi-generational workforce needs access to learning in a flexible way, in a form that is customized to its needs. The said workforce wants

opportunities to master critical skills and grow in its careers whilst the companies want to give their business an extra-edge.

In today's world, learning French is one of the keys of success. Amongst the other foreign languages, French is the only language that can be useful throughout the world as well as on the African continent and in Europe. It is the second most frequently taught language in the world after English!

That is why hundreds of organizations rely on Alliance Francaise, which is the world's largest French teaching centre with over 813 schools in 134 countries.

Our Ghanaian network comprises 5 Alliances: Accra, Kumasi, Tema, Cape Coast and Takoradi.

We provide an e-learning solution with a constant flow of rich and varied learning resources to help organizations achieve the highest possible performance and get ahead in today's competitive world.

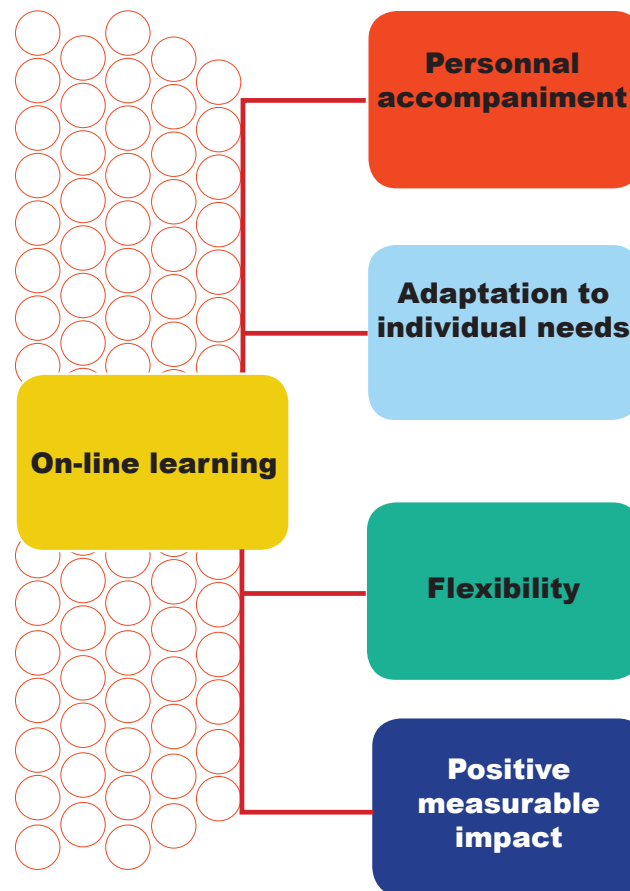

Benefit from a personalized and full time support with professional tutors.

E-learn French with a tutor

Alliance Française provides you a flexible and effective program to learn French language, whenever and wherever you are.

With your busy schedules, you can choose your own time to learn, overseas or anywhere in Ghana, provided you have internet connection with your laptop.

You will not be alone! Our program is designed to facilitate a learning experience with professional tutors who will provide you support and help you learn fast and easy.

Blended e-learning solutions

Our e-learning is tailored specifically to your organization's needs:

We offer customized course outlines to meet business goals.

We work collaboratively with you to ensure you get exactly what you need.

We help our clients benefit from a blended approach to learning where face-to-face training is combined with e-learning as well as on-line training sessions.

Our training program focuses on a **full time support with a tutor** who is available via email everyday and via Skype 30 minutes per week (or telephone).

It includes a combination of the following:

- On line courses
- Live on-line training via skype
- Tutoring (full time week days availability)
- Face to face training

Our network is ready to mobilize its expertise to ensure the clients an effective quality training.
