

INTERNATIONAL PHOTO CONTEST 2015

« Climat, état d'urgence »

Instructions

The contest is open to any non professional and semi-professional photographer (one must not be known for his art as a professional photographer exclusively living from his work).

Participants must submit 2 photos on the theme « **climat, état d'urgence** »

For the preselection phase, the participant will have to provide **2 digital files in TIFF format (.tiff) or JPEG (.jpeg) with a 300 DPI resolution (minimum 30x40 cm in 300 dpi in pixels or 3543x4724 pixels)**

The following information will have to be attached to each participant's 2 photographs :

- Brand, model and reference information about the camera used
- The f-stop used
- The shutter speed used
- If a negative was used, information about the film (brand, Izo number).
