THE MISANTHROPE

THEATRE
SCREENING

For the first time in Ghana, one of the most important comedies of Molière (1666), in five acts and in verse, in a staging of the Comédie-Française. A masterpiece of classical theatre that satirizes the hypocrisies of French aristocratic society and subtly points out the flaws which all humans possess.

FASHION SHOW

Uniquely cut and stitched patterns stylized into leading-edge costumes by RIOHS Originate's 4 months fashion design students will be catwalked by the Students themselves; the idea is to explore how the creatives "embody" their own art in full spirits of charisma to connect with the audience. The show is directed by Richard Ohene Sika, Talents Manager at Riohs Originate.

Les élèves de RIOHS Originate présenteront eux-mêmes les vêtements qu'ils ont créés. Les coupes uniques et les designs stylisés des costumes d'avant-garde explorent la façon dont les créatifs incarnent leur art dans un esprit de partage avec le public. Dirigé par Richard Ohene Sika.

THE PRICE OF FORGIVENESS

FILM
SCREENING

A fable about life in a Senegalese fishing village, the powerful "The Price of Forgiveness" conceals a great deal of artistry in the simplicity of its telling. An engaging and offbeat debut by Mansour Sora Wade, the film fuses an intro of a culture in which the real and the supernatural happily co-exist to a statement of fundamental human truths.

Située dans un village de pêcheurs sénégalais, cette fable simple et subtile marque les débuts prometteurs et décalés de Mansour Sora Wade. Le film conjugue le réel et le surréel pour affirmer certaines vérités humaines fondamentales.

IDENTITY

LA PAILLOTE

This dance piece by emerging dancer Julius Quansah is a personal story which began with a quest of finding "self". His initial socialization and environmental conditions placed him on a trajectory of locating his identity in the world of dance. The piece tells his story and reveals his process of self-discovery and what he envision to be. The movements, as well as the stage set and props, evoke the deeper symbolisms of this "identity" saga of his. Le jeune chorégraphe Julius Quansah propose un spectacle évoquant la quête intérieure et l'acceptation de soi. Une chorégraphie, une mise en scène et un décor au symbolisme profond illustrent cette saga de l'identité..
